Tour de Force

Covenant

You burn the ground to hold your position You ran away if I came too close You kept track of balance and pressure All the dreams and desires I want some more

Red
Black
For the jackpot
Take you down
I want to take you down
I want to take you down with me

We had the motion we had the grace We had a sense of time and place We wrote the rules we played the game And it would never (ever) be the same

It was the beauty while we played We played to win but no one did We grew old we moved ahead From dance hall days for higher stakes

You spun the wheel to keep my attention You danced away if I missed a beat You were queen of present and future I was king and cavalier On our tour de force
