Cowboy Junkies

No More My Lord
No More My Lord
Lord I'll never turn back, no more

I have found in him
Many resting place
And he has made me glad

No More My Lord
No More My Lord
Lord I'll never turn back, no more.

Jesus, the man I am looking for
Can you tell me where
He has gone?

Go down, go down
In my flower yard
and perhaps you may find
find him there.
