don't know why I come back to this place
no-one seems to re-e-member my face
I got the blue danube blues for you

Now all the girls around here, they're just a little corn-fed Don't drink at all, I can't get them in bed I got the blue danube blues for you

[B:]

Now all my friends now I'm back at home don't wanna hang around, they stay at home

They all got jobs and kids and wake up before noon

[R:]

A yodel-odel-ay-ee-tee
A yodel-odel-ay-ee-e-tee-oh
I got the blue danube blues for you

[B]

[R]

I got the blue danube blues for you
