

# Nothing To Believe In

Cracker

Yeah  
Where you going to?  
If you want me let me take you  
Where you going to?  
If you want me let me take you

'Cause in my life  
I got nothing to believe in  
Except for you  
I got nothing to believe in

What'cha looking for  
If you want it, I will find it  
Yeah, what'cha looking for  
If you want me let me find it

'Cause in my life  
I got nothing to believe in  
Except for you  
I got nothing to believe in

And I feel fine (I feel fine)  
I feel fine (I feel fine)  
Yeah I feel fine (I feel fine)  
I feel fine (I feel fine)

'Cause in my life  
I got nothing to believe in  
Except for you  
I got nothing to believe in  
Except for you  
I got nothing to believe in

But I feel fine (I feel fine)  
Yeah I feel fine (I feel fine)  
I feel fine (I feel fine)  
I feel fine (I feel fine)  
Yeah I feel fine (I feel fine)  
Yeah I feel fine (I feel fine)  
I feel fine (I feel fine)  
Yeah I feel fine (I feel fine)
