

## Snow

Craig Armstrong

Is there something I should know?  
Something you won't tell me?  
I can see it in your eyes,  
There's nothing left for you to hide, my love.  
Is there somewhere we can go?  
Somewhere that we could speak?  
If there is time, could we still find,  
Piece of mind, some kind of love, my love?  
But if you stay,  
I know I'd throw it all away,  
And if you go,  
I know I'll find my way back home.  
You say I give it all away,  
Leave nothing to imagination,  
Well it's all I know, although I know,  
You don't want everything, my love.  
But if you stay,  
I know I'd throw it all away,  
And if you go,  
I know I'd find my way back home.  
Stay,  
Stay,  
If you go,  
If you go.  
Is there something I should know?  
Is there something I should know?  
Is there something I should know, my love?
