

Perfect World

Cranes

we had all the time in the world
it seemed like forever
it seemed like forever
in a perfect messed up world
it seemed like forever
it seemed like forever

I guess you told me
the way it would be
I didn't want to believe you
I just couldn't see
I just fall into feelings
I was feeling kinda down
I just thought you'd want me
but you don't need me

things we made are here
hold me together
hold me together
and I'm thinking of all the things you said
our time together seemed like forever
seemed like forever
seemed like forever

I guess you told me
the way it would be
I didn't want to believe you
I just couldn't see
I just fall into feelings
I was feeling kinda lonely
oh, I just thought you'd want me
but you don't need me

things we had made are here
hold me together
hold me together

and I think of all the things we've seen
our time together
seemed like forever
seemed like forever
seemed like forever
