

Digestive Process

Crash Test Dummies

See the cows grazing
There in the distance
But zoom up now just a little closer

See how he chews the cud
It shall travel through no less than two of her stomachs

It's quite a digestive process

Look at the milkman
There on the highway
But zoom in now just a little closer

See how he chews his gum
It will be tough to dissolve should he accidentally swallow it

It's quite a digestive process

When I see a chicken
Just off the highway
I feel compelled to get a little closer

Now, here is a creature
Who must eat stones to help his food down
Because he's got no teeth

It's quite a digestive process
