

Never Bother Looking Back

Crash Test Dummies

It felt real nice
I didn't think twice
It felt real good
Like I knew it would

And I don't care and I don't mind
If I'm unfair or you're unkind
'Cause right now I'm still kickin' back
It doesn't matter
I never bother looking back

It felt real fine
It was all mine
It's not too strong
It didn't last for long

And I don't care and I don't mind
If I'm unfair or you're unkind
'Cause right now I'm still kickin' back
It doesn't matter
I never bother looking back

It felt real good
Like I knew it should
It felt so good
Like I knew it would

And I don't care and I don't mind
If I'm unfair or you're unkind
'Cause right now I'm still kickin' back
It doesn't matter
I never bother looking back
