

You Said You'd Meet Me (In California)

Crash Test Dummies

You said you'd meet me in California
You said you'd meet me in California
Out on the ocean the mermaids are singing
Out on the ocean the sirens are calling
You said you'd meet me
You said you'd meet me

You said you'd live here, you said you'd love me
You said we'd stay here, and make a family
You said you'd meet me
You said you'd meet me

Token affections, deep in the night
Promises whispered, then parting at light
You said you'd meet me
You said you'd meet me

Out on the ocean the mermaids are singing
Out on the ocean the sirens are calling
You said you'd meet me
You said you'd meet me

Token affections, deep in the night
Promises whispered, then parting at light
You said you'd meet me
You said you'd meet me
