

## Rollin' and Tumblin'

Cream

Hey, hey, hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey, hey, hey

We were rollin' and tumblin'  
Right the whole night long

We were rollin' and tumblin'  
Right the whole night long

When I woke up this mornin', baby  
All I had was gone

Well, I rolled my baby  
She's goin' to jump and shout

Well, I rolled my baby  
She's goin' to jump and shout

When that train rolls up, boys  
I'm gonna come walkin' on home

Hey, hey, hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey, hey, hey  
Hey, hey, hey, hey, hey, hey, hey

Engine driver blows that whistle  
Fireman rings that bell

Engine driver blows that whistle  
Fireman rings that bell

Well, I didn't have time, boys  
To bid my baby farewell
