

Away In Silence

Creed

You walked away in silence
You walked away to breathe
Stopped and turned to say goodbye to me
I'm pleading as your leaving I'm begging you stay
I'm not the man I used to be, I've changed
I'm not the man I used to be, I've changed

Don't give up on us, don't give up on love
Don't give up on us, don't give up on love
If my life is the price, then my life it will cost
Now that I'm picking up the pieces see the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't you walk away in silence

In tears you counted reasons
Tears convered you it seemed
Face down screaming "god help me please!"
I'm pleading as you leaving; I'm begging you to stay
I'm not the man I used to be, i've changed
I'm not the man I used to be, i've changed

Don't give up on us, don't give up on love
Don't give up on us, don't give up on love
If my life is the price, then my life it will cost
It will cost my life
Now that I'm picking up the pieces see the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't you walk away in silence
Please come back to me
Don't you walk away in silence
I'm not the man I used to be!

Well I pray that tomorrow you'll be home
We can rebuild and forever we can go on
Go on, and go on
We can go on, well I pray that tomorrow you'll be home
Look at horizons and let the light bring you home, bring you home

Don't give up on us, don't give up on love
Don't give up on us, don't give up on love
If my life is the price, then my life it will cost
Now that I'm picking up the pieces see the pain that I have caused
It's hard to believe in someone you thought was lost
Don't give up on us, don't give up on love
Don't you walk away in silence
Please come back to me
Don't you walk away in silence
I'm not the man I used to be
