

## Effigy

### Creedence Clearwater Revival

Last night  
I saw a fire burning on  
The palace lawn  
O'er the land  
The humble subjects watched in mixed  
Emotion

[Chorus:]  
Who is burnin'?  
Who is burnin'?  
Effigy.  
Who is burnin'?  
Who is burnin'?  
Effigy.

Last night  
I saw the fire spreadin' to  
The palace door  
Silent majority  
Weren't keepin' quiet  
Anymore

[Chorus]

Last night  
I saw the fire spreadin' to  
The country side  
In the mornin'  
Few were left to watch  
The ashes die

[Chorus]

Why?  
Why?  
Why?  
Effigy
