

## No One's Victim

Cro-Mags

You can't let your circumstances  
Define who you are  
Cause only death is certain  
Everything else optional  
Your happiness depends on  
On no one else but you  
Cause no one else can live your life  
Or fill your grave but you  
No one's victim  
No one's victim  
Won't be a victim  
You can't let your circumstances  
Define who you are  
Cause only death is certain  
Everything else optional  
Your happiness depends on  
No one else but you  
Cause no one else can live your life  
Or fill your grave but you  
No one's victim  
Won't be a victim  
No one's victim  
Won't be a victim
