

Don't Give Up On Me

Crossin Dixon

I ain't been there for you
Like I promised I'd do
And I'm sorry

You know what I've been through
But that ain't no excuse
For your heartache

It's easy to see
You're ready to leave
And I've had it comin' to me

Go on walk out the door
Throw your ring on the floor
Be as angry as you need to be
Take your time, think it through
Whatever you do, baby, please
Don't give up on me

If I woke up tomorrow
And knew you were gone
Well I'd lose it

Everything that I do
Revolves around you
And I know it

Your faith in me,
Can't you see, it's the one thing
That keeps me hanging on

Go on walk out the door
Throw your ring on the floor
Be as angry as you need to be
Take your time, think it through
Whatever you do, baby, please
Don't give up on me, no

Go on walk out the door
Throw your ring on the floor
And be as angry as you need to be
Take your time, think it through
Whatever you do, baby, please
Don't give up on me
Don't give up on me, no
