I have just closed my eyes again Climbed aboard the dream weaver train Driver take away my worries of today And leave tomorrow behind

Dream weaver, I believe you can get me through the night Dream weaver, I believe we can reach the morning light

Fly me high through the starry skies Or maybe to an astral plane Cross the highways of fantasy Help me to forget today's pain

Dream weaver, I believe you can get me through the night Dream weaver, I believe we can reach the morning light

Though the dawn may be coming soon
There still may be some time
Fly me away to the bright side of the moon
And meet me on the other side

Dream weaver, I believe you can get me through the night Dream weaver, I believe we can reach the morning light

Dream weaver
Dream weaver
Dream weaver
