

Hide 'Em All

Crucified Barbara

Yeah it's burning, in my fingertips
Wish I could touch him
I'd like to give her a kiss
Now you tell me that you're so in love
Tough luck honey, I don't care

Hide your boyfriend (he's hot)
Hide your girlfriend (she's so foxy)
Hide 'Em all, babe

I'm a bad thing, I'm sorry that I made you cry
Now you tell me you'll never forget my crime
Tough luck honey, I don't care

Yeah, I'm a bad thing, I take your breathe and
then your friends
I like to scare the shit out of you at night
I'm the darkness of the world

Hide your boyfriend (he's hot)
Hide your girlfriend (she's so foxy)
Hide 'Em all, babe
