

## I Bleed

Cryptal Darkness

I bleed like no man  
I drown in my pain  
tear it out take it away  
my heart I no longer need

I scream like no man  
I cry in vain  
tear it out take it away  
my soul I no longer need

All because of you. . .

I'm a fool for you  
blinded by your touch  
take my eyes take them away  
lost in you. . . forever

I die like no man  
all because of you  
I bleed. . .
