My Prodigal Sun

Reach at the unreachable Futile attempts It's succumbed to its own laws

Rise and falls Like building blocks Pick 'em up Knock 'em down Another day A different season

Hate eternal overshadows Dispersed in clouds My prodigal son Returns for the sun dogs To embelish in angelic rays Raise our hands in anticipation Conquest procession participation

When sweat lies and burns the eyes Fry the river dries Sunburn-orama drama Accepted with open arms

Cult of fire Sect inferno Desperately Long awaited arrival Cryptopsy
