

I Love London

Crystal Fighters

I Love London!

I wanna go to the friends party, the friends party
In Willesden, Harlesden, Watford Junction, Junction,
I Love London

Mi gusto mimi

Doblo

I'm so high and it's the truth

I'm so high and I can't see

I wanna talk about it, tell my friends about it,

Take me to a party in the city and I'll think about it.
