

Love Is All I Got

Crystal Fighters

Now love is all I got
I can't live
Love is all I got
Only love in my life
Love is all

Love is all I got

Now love is all I got
I can't live
Love is all I got
Only love in my life
Love is all

Love is all I got

Love is all I got lived
Life with love and trust that love will come down to earth and save us all
Love is all I got
I can live with everything I've lost because love will come to save us all
So save us all.

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

My darling I can give you what you want if what you want is love
Darling I can give you what you want
If what you want is love
So save us all

I can give you what you want
If all that you want is love
And baby I can give you what you need
If all that you need is my love

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend
Cause love is all I got

Wake your soul with love in the morning
Feed your soul with love in the evening
Expand your soul with love on the weekend...

So save us all

I can give you what you want
If all that you want is love
And baby I can give you what you need

If all that you want is love
And baby I can give you what you need
If all that you need is my love
