

Think About It

Crystal Lewis

Guard my heart
That i might not walk away
Guard my mouth
That i might not regret what i say
Guard my hands
That i might only reach them out
Guard my mind
That i might only think about

Whatever is pure
Whatever is lovely
Whatever is true
Whatever is worthy
Think about it

Grant me strength
So i can stand tall
Grant me courage
So i can get up when i fall
Grant me faith
So i can trust when facing doubt
Grant me wisdom
So i can choose to think about
