

# Turn Your Heart Around

Crystal Lewis

Searchin' all night to find a reason why  
I should hold back my love from you  
And let my fear breakthrough

You know he's got you in this season  
Waiting for love to turn your heart around

So don't all of your life living out on your own

I know what you say is true

He will never let you spend one more night all alone

Lord I do believe in you  
I've tried so hard to find the answers  
But all I've found is a lonely road  
I don't know where to go

Well I know that I don't have all the answers  
But Jesus is Lord and he loves you so

Oh my Lord, I feel how much you care

He'll never leave you now  
Through all he will be there

Now in my life I have a reason  
Because I know that his love is true  
I can see him in you

Well, I'm glad that he brought you through this season  
And he used his love to turn your heart around
