

## If I Live or If I Die

Cuff the Duke

It's up to you Lord, it's up to you  
But do I still have time to choose  
I am liking what you provide  
Lord if you hear me, I'm falling down, yeah

If I don't follow after you  
What happens then, will I still lose  
My faith is weary, my soul is too  
Lord if you hear me, I need some proof, yeah, yeah

If I live or if I die  
If I live or if I die

(If I live or if I die)  
It's up to you Lord, it's up to you  
(If I live or if I die)  
What do I gain, what do I lose  
(If I live or if I die)  
Will you provide me answers  
(If I live or if I die)  
Will you accept me  
(If I live or if I die)  
Lord if you hear me, I need some truth, yeah, yeah

If I live or if I die x9
