

Love Is Love

Culture Club

You don't have to touch it to know
Love is everywhere that you go
You don't have to touch it to feel
Love is every second we steal

Love is love, is nothing without you
Love is love, is everything you do
Open up your eyes
And you will see
Love is love, is everything to me

You don't have to touch it to be
Wrapped up in emotion like me
Everyone must feel how I do, yeah
Love is just to be close to you

Love is love, is nothing without you
Love is love, is everything you do
Open up your eyes
And you will see
Love is love, is everything to me

And you know that love is love
It's written in black and blue
And everything you say
Must bring her closer, closer to you
Ba ba
Ba ba
Ba ba

You don't have to touch it to know
Love is everywhere that you go
You don't have to touch it to feel
Love is every second we steal

Love is love, is nothing without you
Love is love, is everything you do
Open up your eyes
And you will see
Love is love, is everything to me

Love is love, is nothing without you
Love is love, is everything you do
