

# Maybe I'm a Fool

Culture Club

Dangerous lover  
With the blue-green eyes  
Slides into the room  
He's got trouble on his mind

Maybe you're misunderstood  
So come and lie here by my side  
'cause your love it hurts so good  
Every time, every time

Maybe I'm a fool for loving you  
Maybe I'm a fool  
Maybe I'm a fool for wanting you  
Maybe I'm a fool

But love's so hard to find  
I keep searching every time

Foolish words spoken  
Forgotten in the night  
When the sun meets the ocean  
I wanna be here by your side

Let me give you all those things  
That money just can't buy  
'cause your love it hurts so good  
Don't ask me why, don't ask me why

Maybe I'm a fool for loving you  
Maybe I'm a fool  
Maybe I'm a fool for wanting you  
Maybe I'm a fool

Maybe I'm a fool, but I love you baby, baby...

(rap by derick johnson)  
(I keep searching everytime)

Maybe I'm a fool  
Maybe I'm a fool

Baby you're misunderstood  
So come and lie here by my side  
Cause your love it hurts so good  
Don't ask me why, just don't ask me why

Maybe I'm a fool for loving you  
Maybe I'm a fool, I'm a fool, I'm a fool, yeah  
Maybe I'm a fool for wanting you  
Maybe I'm a fool, I'm a fool for your loving

Right now

Love's so hard to find  
I keep searching every time  
All the time, all the time  
Cause I can't live without you

Can't live without you

Maybe maybe baby I'm a fool for your loving
