Unfortunate Thing

Culture Club

Breaking out of school Ain't really fooling no one I was sure I'd get my reward in time

Backing up the street With the smell of sweet sensation Didn't want to be another dime

Hidden in the pocket Of some unfortunate nation Didn't have no money Sure didn't have the time

Unfortunate thing, such an unfortunate thing Unfortunate thing, such an unfortunate thing But I fought with nothing But I fought with nothing, nothing, nothing

Laughing at the rumor That you've been screwing someone Laugh, better cry It could be your turn next time

Brother what a lover Beyond the fourth dimension He's got an ego That's bigger than yours and mine

Unfortunate thing, such an unfortunate thing Unfortunate thing, such an unfortunate thing But I fought with nothing But I fought with nothing, nothing, nothing

Don't call me Bwana Let it settle in your heart We move from children Into a business counterpart

Your head was shaking As I walked into the room A spirit breaking That's why I feel this way

That's why I feel this way That's why I feel this way That's why, why That's why I feel this way

Breaking out of school Ain't really fooling no one I was sure I'd get my reward in time

Backing up a street With a smell of sweet sensation Didn't want to be another dime

Unfortunate thing, such an unfortunate thing

Unfortunate thing, such an unfortunate thing But I fought with nothing But I fought with nothing, nothing, nothing
