For what I spent on this pinky ring I could have bought a range
What it's for though
Proof that it pays off when you take the hard road
I bounced up, never switched up nigga that was y'all bro
I stuck to the code, gorilla glue OG zipped in the tupp

Younguns learn how to do donuts in the ride rentals
You was not with him, so you don't understand
Why he pop so many Xans
He trying to quiet the voices of a dead man
He caught a body and he can't stop thinking about it
Created a world of drama for him and his partners
Them niggas from that otherside could spend that in a minute
Sit out on the porch where they don't get caught slipping
This ain't television, I tried to tell them niggas
How to look at your world with a millionaire vision

Pull up on them niggas, pull up with their bitches
This SUV cost half a million, it's a millionaire in it
You ain't an OG if you don't offer game to your niggas
You ain't a down ass bitch if you don't fly there and then come back with it
Niggas on caps lock lyings and they can't stop

Keep the E in it, Chevy's on switches baby
