

## Short Eyes - Freak, Freak, Free, Free, Free

Curtis Mayfield

Stranger man took my only daughter  
'Round the candy shop, soda pop  
All for just a quarter  
Rememberin' the loving way she wore her hair  
Her sunrise eyes, her petite size  
Just want to warn you children some  
Short Eyes is pusher number one  
Girls, when you shake your shaggy, shaggy, beware!  
Dudes when you hang out in the alley, beware!

Dirty, dirty, dirty Short Eyes  
Any kind of people so disguised  
Brother man will see them penalized

Sad, sick ain't no way for bail  
Kinda feel like sending him to hell  
Handsome man becomes an ugly freak  
(Freak, freak, free, free, free)  
Out just long enough for nasty treats  
Living corpse wedged up in the tombs  
Has to face the judgment in the room, beware

Freak, freak, free, free, free  
Freak, freak, free, free, beware!

Dirty, dirty, dirty Short Eyes  
Any kind of people so disguised  
Brother man will see them penalized
