

# Never Saw A Miracle

Curtis Stigers

Seen a light divine  
Seen water turn to wine  
Seen healing hands and walking on the water  
I've knelt in churches  
But that was all just fruitless searches  
For something to believe in  
And I thought I'd seen it all

But I never saw a miracle  
'Til baby I found you  
I prayed I'd find my heaven  
Then all my prayers came true  
No, I never saw a miracle  
I was blind but now I see  
The miracle is the love you give to me

Seen a flower bloom  
And a man walk on the moon  
But I never seemed to find sweet inspiration  
Seen the stars fall from the sky  
And heard a newborn baby cry  
And felt the warmth of human kindness  
'Til the tears came to my eyes

But I never saw a miracle  
'Til baby I found you  
I prayed I'd find my heaven  
Then all my prayers came true  
No, I never saw a miracle  
I was blind but now I see  
The miracle is the love you give to me

I've never been a winner  
And God knows I'm a sinner  
But I found my salvation in you  
Oh, I was lost until you found me  
Put your loving all around me  
Gave me back my faith  
And my strength to carry on  
And now, baby, I believe

But I never saw a miracle  
'Til baby I found you  
I prayed I'd find my heaven  
Then all my prayers came true  
No, I never saw a miracle  
I was blind but now I see  
The miracle is the love you give to me
