

Signals And Alibis

Curve

You can take my advice but don't you think twice about leaving
me Even though you shouldn't know I can't help but tell you so
easily If my faith fails will life prevail Were signals and ali
bis were half truth and half lies were signals and alibis we ne
arly laugh and nearly cry I only want to be liked by you I only
want to be liked by you Your the one who has it all but don't
pretend you didn't fall frequently When you go I hope you know
I saw it all and let you go lazily Now my hearts frail will you
prevail Were signals and alibis were half truth and half lies
were signals and alibis we nearly laugh and nearly cry I only w
ant to be liked by you I only want to be liked by you
