

Time After Time

Cyndi Lauper

F C F C F C
Lying in my bed I hear the clock tick,

F C
And think of you

F C F C F C
Caught up in circles confusion

F C
Is nothing new

F G Emi F
Flashback warm nights

F G Emi
Almost left behind

F G Emi F
Suitcases of memories,

F G
Time after

Sometimes you picture me
I'm walking too far ahead
You're calling to me, I can't hear
What you've said
Then you say go slow
I fall behind
The second hand unwinds

G Ami7 F
If you're lost you can look and you will find me

F G C
Time after time

G Ami7
If you fall I will catch you I'll be waiting

F G C
Time after time

If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time

After my picture fades and darkness has
Turned to gray
Watching through windows you're wondering
If I'm OK
Secrets stolen from deep inside
The drum beats out of time

If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time

You said go slow
I fall behind
The second hand unwinds

If you're lost you can look and you will find me
Time after time

If you fall I will catch you I'll be waiting
Time after time

If you're lost you can look and you will find me
Time after time
If you fall I will catch you I'll be waiting
Time after time

F G F
Time after time
Time after time
Time after time
