

# You're the Reason Our Kids Are Ugly

Cyndi Lauper

You're the reason I'm riding around on recapped tires  
You're the reason I'm hanging clothes outside on wires  
You're the reason our kids are ugly, little darlin'  
But looks ain't everything  
And money ain't everything  
But I love you just the same

You're the reason I've changed from beer from soda pop  
And you're the reason I never get to go to the beauty shop  
You're the reason our kids are ugly, little darlin'  
But looks ain't everything  
And money ain't everything  
But I love you just the same

I guess that we won't ever have everything we need  
'Cause when we get ahead, it's just another mouth to feed

You're the reason my good looks and my figure is gone  
And that's the reason I got no hair to comb  
And you're the reason our kids are ugly, little darlin'  
But looks ain't everything  
And money ain't everything  
But I love you just the same

And that's the reason my good looks and my figure is gone  
That's the reason that I got no hair to comb  
And you're the reason our kids are ugly, little darlin'  
But looks ain't everything  
And money ain't everything  
But I love you just the same
