

Fucked Up Baby

D.O.A.

Well, you're fucked up baby
Your eyes are like glass
Your mind's like a beer bottle
Filled with butts

You're fucked up, baby (4x)

I'm lying in a pool of blood, leave me alone
I don't want your help anyway
I'm lying in a pool of blood, leave me alone
Your face is much too clear anyways

You're fucked up, baby (4x)

You're fucked up, baby (4x)
You're fucked up, baby - won't leave me alone (3x)
You're fucked up, baby
