

If I were a redneck

D.O.A.

If I were a redneck - All night long I'd kick some ass
If I were a redneck - All night long I'd shoot my gun
If I were a redneck - All night long I'd drive my truck
If I were a redneck - I'd pick your nose with my cowboy boots
I'd pick your nose with my cowboy boots

Well, if I were a redneck - I'd start a fight every Friday night
If I were a redneck - I'd get my kicks from beating my wife
If I were a redneck - I'd get more kicks from beating up fags
If I were a redneck - Being white trash is what I'd like
Being white trash is what I'd like

Redneck!
Let 'em have it, boys!

Come on boys, I'll kick your ass

Well, if I were a redneck - I'd keep Jack Daniels in the glove box
If I were a redneck - I'd get fucked up at the honky tonk
If I were a redneck - I'd have a rebel flag on my truck
If I were a redneck - I'd pray to God when I'm hungover
I'd pray to God when I'm hungover
