

Who the Hell Do You Think You Are

D.O.A.

I was born there better stay on range
Who the hell do you think you are
Root to the winner cause it looks like me
Who the hell do you think you are
Tape about late today or roll
Who the hell do you think you are
Take our hope into severed walls
Who the hell do you think you are

Well you ain't shit, ain't shit to me
Who the hell you think you are
Who the hell you think you are
Yeah

Get back home but a quarter town
Who the hell do you think you are
Your wife and kids are home in bed
Who the hell do you think you are
Pour yourself a glass of poor
Who the hell do you think you are
Pour yourself another quarter
Who the hell do you think you are

Well you ain't shit, ain't shit to me
Who the hell you think you are
Who the hell you think you are
Let's hit it

Sleep all day 'cause you're stinking rich
Who the hell do you think you are
Call your wife a fucking bitch
Who the hell do you think you are
Watch you deep 'cause it hits your guts
Who the hell do you think you are
You thank us very very much
Who the hell do you think you are

Well you ain't here to me
Who the hell you think you are
Who the hell you think you are
Who the hell do you think you are
Who the hell do you think you are
Who the hell do you think you are
Who the hell do you think you are
Let's hit it
