

I'm laying low now
I have been scrimping and scraping
Waiting for money
I leave by my mailbox
And some say that glory days
Are waiting right ahead now
Hey this is reality
Just lay it upon me

Enjoy
Enjoy
Every girl and every boy (2x)

Well somedays when i awake
I'm feeling new and ready
I even stand the pain
I want to be tested
And i'm jumping of the ground
Like everybody around me
And my dreams are oversized
Coz i've seen it on tv

Enjoy
Enjoy
Every girl and every boy (2x)

Money in your pocket (3x)
Now you gotta tell ya
Money in you pocket (3x)
Now you gotta tell ya

Enjoy
Enjoy
Every girl and every boy (4x)
