Twinkle Twinkle Little Star
How I wonder what you are
Up above the world so high
like a diamond in the sky
star light, star bright
the first star i see tonight
i wish i may
i wish i might
have the wish i wish tonight
twinkle twinkle little star
how i wonder what you are
i have so many wishes to make
most of all, it's what i state
for just one girl that i've been dreamin' of
i wish that i could have all her love
OOh no
i wish i may
i wish i might
have the dream i dream tonight
00h baby
twinkle twinkle little star
how i wonder what you are
i want a girl who'll be all mine
the one to say i'm her guy
some are sweet, that's for sure
i wanna be the guy she's lookin for
OOh no
i wish i may
i wish i might
have the girl i wish tonight
00h baby....
twinkle twinkle little star
how i wonder what you are
up above the world so high
like a diamond in the sky
starlight, starbright
the first star i see tonight
00h no...
i wish i may
i wish i might
have the wish i wish tonight
