

Great Gaels Of Ireland

Damien Dempsey

Oh the great Gaels of Ireland
And the great Gaels of Scotland
They were kept down for so long
All they wanted was freedom

Well they took ancient Greece on
And they took ancient Rome on
Yes they took all the Turks on
They were powerful for so long

They're the first kings of Europe
And their women weren't shut up
Yes their women were leaders
They won battles, gave orders

Oh the great Gaels of Ireland
And the great Gaels of Scotland
They were kept down for so long
All they wanted was freedom

Well they brought Christian teachings
To the pagans in Britain
There was great courage displayed
Look at how we were repaid
We were sold into slavery
And shipped to the West Indies
There was Irish and Scotch slaves
Staring over their huge wains

Oh the great Gaels of Ireland
And the great Gaels of Scotland
They were kept down for so long
All they wanted was freedom

Now I want you to be proud
And I want you to shout loud
"I am proud of my people
I politically rebel"

Oh the great Gaels of Ireland
And the great Gaels of Scotland
They were kept down for so long
All they wanted was freedom

Na paisti, be proud
Na paisti, be haughty
