

## Best Dress

Damien Jurado

Hey now put your best dress on  
I'm tired of fighting  
Let's take it out on the town,  
do some old style dancing  
We should just have a good time  
We can stay out all night long  
Hey now put your best dress on  
Hey now put your best dress on

No price I wouldn't pay  
to always have you with me  
Nothing that I could take  
feels like the thrill you give me  
I'll show you such a good time  
keep you up 'til the darkest dawn  
Hey now put your best dress on  
Hey now put your best dress on

Hey now put your best dress on...
