Damien Jurado

Allan, no one was laughing when you passed
Satirical moments still to have
(Said and done) [x4]
Not around to be banking on the laughs
Life's a gas for an audience with cash
(All is gold) [x4]

On a shelf where the dust seems to collect
In a groove was the showroom you were at
(You were on) [x4]
Hints of gin and your finger in the glass
I sit in for the late show presents past
(Here and now) [x4]

(Said and done) [x8]
(All is gold) [x8]
