

# Come Again

Damn Yankees

I was a loner crusin' with the wind  
I wasn't lookin' when you pulled me in  
I had to leave you like I always did  
You knew damn well I'd come again

Now I'm falling where I've never been  
My resistance is wearing thin  
Somewhere in the distance  
like a long lost friend  
Whoa oh oh oh, yeah--  
Lord, here I come again  
Come again

Yeah  
Been so long since I've seen you girl  
Swear I've been around the world  
Every room is an empty space  
In the darkness I see your face  
Whoa Whoa Whoa  
Whoa Whoa Whoa  
Whoa Whoa Whoa

When I finally get my hands on you  
Tell you what I'm gonna do  
Lay you down, strip you bare  
Make love to you till the morning comes around

I wasn't lookin' when you pulled me in  
Whoa oh oh oh  
Yeah--  
Lord, here I come again  
Come again  
Come again  
I said Lord

I wasn't lookin' when you pulled me in  
Whoa oh oh oh  
Yeah--  
Lord, here I come again

Whoa Whoa Whoa  
Whoa Whoa Whoa  
Whoa Whoa Whoa  
Whoa Whoa Whoa

Whoa Whoa Whoa  
Whoa Whoa Whoa  
Whoa Whoa Whoa  
Whoa Whoa Whoa

I wasn't lookin' when you pulled me in  
Whoa oh oh oh  
Yeah--  
Lord, here I come again
