

# Sunset Coming On

Damon Albarn

Waking up  
it's been too long  
feel the warmth  
of the sun  
on my face  
tell my face  
where I've been going wrong

This road goes on and on  
Sunset coming on (2x)  
Oh Lord

But the sunrise we'll see  
But the sunrise we'll see again

Sunset coming on (2x)  
Oh Lord

But the sunrise we'll see  
But the sunrise we'll see again
