

# Orisa, Stand Your Ground

Dan Bull

Orisa oh  
Orisa go

Orisa oh  
Stand your ground  
Now Orisa go  
Pull their defences down  
Orisa oh  
Watch over the team  
Now Orisa hold  
Us together in victory

Listen to me, Sir  
There's a new individual feature  
On the scene that's pleased to meet you  
Greet Orisa  
She treats you like a piece of meat  
On greasy pizza  
I don't mean she feeds you  
She eats you  
And leaves the left over pieces in the freezer  
You're frozen in the spot  
Call it immediate anaesthesia  
Controlling gravity to make you halt, stay  
Throwing ammo in your face  
As casually as salt bae  
A babe aged but a month  
That does it the old way  
She holds you in place before you're fucked  
Call it foreplay  
Practicing safe sex  
She brought a protective barrier  
Being beat isw a disease  
And you're the carrier  
She's a tank that  
Leaves you anchored  
You wanker  
You'll need to flank her  
For any chance to outrank her  
How long will it need for you finally to learn  
Leaving you burned is her primary concern

Orisa oh  
Stand your ground  
Now Orisa go  
Pull their defences down  
Orisa oh  
Watch over the team  
Now Orisa hold  
Us together in victory

With the gun on her waist  
She'll blow your blooming face off  
Then drop her drum in your base  
Call it a drum and bass drop  
M8 wot  
She's got this game locked

It's too late to stop  
Rage quit and blame a frame rate drop  
You ought to be sure not to ignore the order to halt  
Or she'll pull you forward  
With the force of a horns of a bull  
A portable fortress of awesomeness  
Brought in to cause an unfortunate fall  
With the force of a fork lift truck  
That's falling off a waterfall  
And crushing all your balls to mush  
So if you know what's good for you  
Then you ought to shush  
She'll take on stampedes  
The size of a pre-order rush  
She'll impede and then stamp on each and all of us  
Nothing breaches through when losers shoot her armour  
Because it's as amusingly futuristic as Futurama  
Fortify  
Halt  
Fusion driver  
Supercharger  
She looks rather like a bull  
I wonder who's the father

Orisa oh  
Stand your ground  
Now Orisa go  
Pull their defences down  
Orisa oh  
Watch over the team  
Now Orisa hold  
Us together in victory
