## **Believe in Me**

## **Dan Fogelberg**

If I could ever say it right And reach your hostage heart despite The doubts you harbor then you might Come to believe in me

The life I lead is not the kind That gives a woman peace of mind I only hope someday you'll find That you can believe in me

Those other loves that came before Mean nothing to me anymore But you can never be quite sure And will not believe in me

Too many hearts have been broken Failing to trust what they feel But trust isn't something that's spoken And love's never wrong when it's real

If I could only do one thing Then I would try to write and sing A song that ends your questioning And makes you believe in me

And makes you believe in me Oh, you can believe in me
