

## Since You've Asked

Dan Fogelberg

What I'll give you since you've asked  
Is all my time together?  
Take the rugged sunny days  
The warm and rocky weather  
Take the roads that I have walked along  
Looking for tomorrow's time, peace of mind

As your life spills into mine  
Changing with the seasons  
Filling up the world with time  
Changing time to reasons  
I can show you all the songs  
That I never sang to someone before

We have seen a million stars  
Lying by the water  
You have climbed the hills with me  
To the mountain shelter  
Taking off the days one by one  
Setting them to breathe in the sun

Take the lilies and the lace  
From the days of childhood  
All the willow winding paths  
Leading up and outward  
This is what I give  
This is what I ask you for  
Nothing more
