

The Higher You Climb

Dan Fogelberg

The higher you climb, the more that you see
The more that you see, the less that you know
The less that you know, the more that you yearn
The more that you yearn, the higher you climb

The farther you reach, the more that you touch
The more that you touch, the fuller you feel
The fuller you feel, the less that you need
The less that you need, the farther you reach

The higher you climb, the more that you see
The more that you see, the less that you know
The less that you know, the more that you yearn
The more that you yearn, the higher you climb

The higher you climb, the more that you see
The more that you see, the less that you know
The less that you know, the more that you yearn
The more that you yearn, the higher you climb
