

# The Long Way

Dan Fogelberg

She was lost  
And I thought I was found  
Even so I tried  
To bring her in

She was young  
And I had just begun  
To learn that even  
Losing men can win

We went the long way  
We went the long way  
We went the long way  
Or maybe just the wrong way  
I'll never know

Overnight  
We were shown the light  
Neither of us knew  
To look away

So we burned  
And far too late we learned  
That lifetimes can't be lived out  
In a day

We went the long way  
We went the long way  
We went the long way  
Or maybe just the wrong way  
I'll never know

So, goodbye  
At least we made the try  
Something can be said  
For love that's pure

If and when  
We ever try again  
One thing will be known  
To us for sure

We'll go the long way  
We'll go the long way  
We'll go the long way  
Or maybe just the wrong way  
I'll never know, I'll never know
