

Wandering Shepherd

Dan Fogelberg

Wandering shepherd, wander no more
Wandering shepherd, wander no more
Wandering shepherd, wander no more
Lay down your troubles, your worries and woes

Traveling pilgrim, rest for the night
Traveling pilgrim, rest for the night
Traveling pilgrim, rest for the night
Sup with the Savior and drink of His light

Homeless believer, find here a home
Homeless believer, find here a home
Homeless believer, find here a home
You may be lonely but never alone

Wandering shepherd, wander no more
Wandering shepherd, wander no more
Wandering shepherd, wander no more
Lay down your troubles, your worries and woes
