Wandering Shepherd

Dan Fogelberg

Wandering shepherd, wander no more Wandering shepherd, wander no more Wandering shepherd, wander no more Lay down your troubles, your worries and woes

Traveling pilgrim, rest for the night
Traveling pilgrim, rest for the night
Traveling pilgrim, rest for the night
Sup with the Savior and drink of His light

Homeless believer, find here a home Homeless believer, find here a home Homeless believer, find here a home You may be lonely but never alone

Wandering shepherd, wander no more
Wandering shepherd, wander no more
Wandering shepherd, wander no more
Lay down your troubles, your worries and woes
