

# You Are All I See

Dan Hill

You are all I see  
And everythi-ing that's you  
Spills into me  
And all I wanna be-ee  
Is whole enough you see-ee-ee  
So I can give to you  
As you give to me  
You are all I need  
And everythi-ing that's you  
Beco-omes me-ee  
And all I wanna be-ee-ee  
Is whole enough you see-ee  
So I can give to you  
As you give the wor-orld in you-ou  
To me-ee...
